Docket No. 2022-0024

JOINT MOTION TO ALLOW TESTIMONY BY DEPOSITION

Petitioners and Respondent ask the Hearing Officer to allow testimony to be presented by pre-recorded video deposition, if the parties agree in advance that a particular witness's testimony may be presented in this manner. At this time, Respondent anticipates that the testimony of one of its witnesses, who is unavailable on the date of the hearing, will be presented by deposition. The parties would like to have the flexibility to present additional testimony by deposition should the need arise.

Respectfully submitted,
